

Cape Haze Women's Club

Hi Cape Haze Lady!

The CHW Club membership is open to women who are CHPOA members. Yearly dues are \$25. Dues are for a calendar year beginning in January. If you are new to the area and pay dues in October the membership will continue throughout the following year.

Our Women's Club is the social organization of CHPOA that also provides a service to the community. Our on-going activities include exercise classes, bridge, Friday night socials and other special events. There are many other opportunities' that could be developed if members are willing to lead or coordinate. We currently are supporting Kids' Needs (charity effort), Camper Ministry in Englewood (homeless) and local food bank.

Meetings held from October thru May discussing a variety of topics or just social with a shorty business meeting. Also, we have Cape Haze on the Go which will be open to men and women CHPOA members where we will travel to places of interest and usually enjoy a Dutch treat meal.

So hoping that you will join!

Please tear off the bottom, fill out and make a check payable to CHW and place in the black locked mailbox on the front of the Community Center. Welcome Aboard—well almost!!

Name print _____ Birthday month _____ day _____

Address _____ In Cape Haze months _____ to _____

Phone preference _____ email address _____

Before moving to Cape Have I lived _____
